WOW, we win - we in! Who could have imagined? I know that I am not alone when I say that I am happy for the improvement. We have been keeping a total for each week on attendance. We have brought in 472 customers to Brewsky's that is an average of 31 people a week. Not bad. Greg the manager wants to show us his appreciation for the business that we brought to the bar this year. So, again he is offering us

"Fan Appreciation Day" It will be this Sunday the 30th for the GREEN BAY PACKER game @ 4:25pm **(TIME CHANGE)**. We are likely to be on television with the importance of the game and the time change; but perhaps knowing what Greg is offering, might change your mind to come on out. Greg is offering us an unbelievable special on Pizza (\$2 for a 12 inch 1 item) and Wings with the bone (\$.30 each). Most definitely worth the trip out one more time. So if it's your first, second or whatever time coming, this will be the time to show your support and reap the benefits. We just hope to see you there. What better way to end the year and get a playoff game to begin the new one. GO VIKES.
